“*Sylvia and I were not truly related but we were like distant cousins because her Grandma Gappa lived next door to me growing up on Washington Ave. in Phoenixville. I also called her Grandma, "Nanny" and her Aunt Pauline & Uncle Joe were also my aunt and uncle related by marriage on Aunt Pauline's side. Whenever Sylvia came to visit Nanny, we all played together and always had a great time. She was sweet, fun loving, and I enjoyed her friendship through the years if only @ relative's funerals but we always spoke, hugged, and caught-up! I am sure there is a big hole in all of your hearts as I know for a fact that she loved all of her family so deeply. Remember all those special times w/her and know that she is resting peacefully knowing that all of you are together loving each other and her. My deepest sympathy to all of you and know that I will continue to pray for all of you and have Mass offered for Sylvia @ St. Joseph's Church in Spring City. Take care,
Sincerely,
Paula (Baranoski) Jennings*

“*Sylvia,
One of the most wonderful memories of my life was being able to share your wedding day with you. While our lives haven't intersected as much as I would have liked in the past few years, there isn't a day that you all weren't close in my heart, thoughts and prayers. Your sweet smile and happy laugh will be with me always.*

*Love you,
