“ I miss my Gammy everyday. My son Ethan, her first great-grand-baby asks about her often...and says he misses and loves her. I hope he will have some memories of her. He is only four, but she did leave an impression on a lot of people. Always smiling, fun, full of life and love. I am blessed with many beautiful memories. I only hope that in my lifetime, people will speak of me half as fondly , as they do of my Grandmother. Love you...Miss you....Everyday.. Thanks to everyone for kind words and thoughts. Megan Elyse

“ Jackie,

I'm so sorry to hear about the loss of your Mother. I know how hard that is - since I still truly miss my Dad (and it's been more than a year since he passed away).

I know that the memories that you have will help you and your family get through this diffi-cult time.

I can still hear your Mom's laugh and her voice from 'back in the days' of the church choir!! We did have a lot of fun.

Wishing you comfort, peace, and tons of happy memories!!

“ Dear Mr. Johnson, Scott, Jackie, and David,

The last time I talked to Joan was when I was home for my own mother's service when we spent some time sharing memories together. She was truly a beautiful woman, and showed me a lot of compassion on a very difficult day. I want you to know that of all of our friends' parents when we were growing up, she was my favorite, whether it was in Scouting or working together at The Spot. She always had time to listen, give sound advice, or smile. I pray God will bring you peace during this time.
