“ She just came to my mind and I googled her name and just found out the news, I was her Home Health Aide . We always had a good laugh . She spoke so much about her children and grand children . We went shopping lots of times. I learned a lot from her, just with our simple talks . She’s finally free from all the pain. Thank you Sylvia it was a pleasure !

“ Tom, Matt and Allison,

Sylvia was a wonderful lady, kind, caring and such an important person in our family for so many years. We are all so sad for you and your family. You mom loved the three of you so much. Oh how she talked about the three of you! She was so proud of each of you.

As a family we have talked about our Sylvia stories - we have quite a few very fond memories. I remember the time she spent doing arts and crafts with Jimmy then switching to teaching Robby how to throw the baseball and perfect his swing. She would not be surprised to know that as adults, Jim loves to be on the go - he was always up for an adventure with Sylvia and Rob is ever the homebody. Sylvia had to lure him out of the house with a promise to see Mugsy!

I offer my family's sincerest condolences to you, Tom and Matt. The Lebair family will always be grateful to Sylvia for her loving care of our sons and family.

“ *Sylvia was one of our best friends for many years. We met when we moved into our new homes at the same time. We raised our children together. We went to many sporting events along with some great times at the swim club. Sylvia came to all of our family celebrations and was the life of the party. We have a lot of wonderful memories! One of my funniest moments with Sylvia was our trip to the zoo with our toddlers. I am very afraid of animals & Sylvia and I are both afraid of birds. We went to the children's zoo were the animals walk up to you. A baby goat came up to me & scared me so bad that I threw my popcorn up in the air and then many birds came & scared both of us. The kids looked at us like we were crazy! After spending many hours at the zoo, we come to realize that Sylvia locked her keys in the car with the car running. Good thing a nice man helped us and thank God we did not run out of gas. We were able to drive a few blocks to get gas. What a fun time at the zoo! We talked about this story for years and it always made us laugh. Sylvia will be missed by everyone. We all loved her very much! Sending our love and sympathy to her wonderful family!*

“ *Sylvia was an amazing person who could always make you laugh. I remember her calling & telling us that she would play hide and seek with her adorable dog Mugsy. Sylvia was a beautiful person inside and out! She lived 4 doors away from us and she was like family to the "Dunne's." My mom and her were like sisters. We enjoyed going to visit her to brighten up her day while she was in rehab. Sylvia always shared beautiful pictures of her children & grandkids who she adored. My thoughts and prayers are with her family during this difficult time. Sylvia remains in our hearts forever and she is our angel watching over us!*

“ When her children were younger, Sylvia lived a few houses away on the same block. She had a son, Matthew, and I had a son, Matthew. They were the same age and the best of friends. Sylvia coined the phrase “the Matts”. Will “the Matts” be at your house this afternoon... ?” She and I spent a lot of time together in those days and laughed a lot. My life is brighter for having been her friend.

To Family and friends of Sylvia: I send my deepest condolences on her passing. I pray for comfort to all as you go through this unexpected challenge. I was blessed get to know her. She loved her children and doted on her grandchildren who .were her delight. The world was blessed the day you were born and your departure leaves a vacuum that cannot be replaced, holidays and family gatherings, meals in particular. This, indeed, is a sad day for all of us. Rest in arms of Jesus.
