“ Linda, I doubt that you remember me from high school, but I remember you as one of the nicest people in our class. From your mother's pictures, you must have gained it from her. Remember all of the good and she will always be alive in your heart. Lynn

“ Hello Linda, I just read your mother's obituary this morning and was saddened to hear of her passing. .I enjoyed writing to her and remember how much of a good friend she was to my own mother. May you find that peace that only God can give during this time of sorrow. I will miss her kindness to me.
