“ What to say about Ted. He was a character, he was funny, he sat
like an Indian, he was kind and he was one of a kind. We have
pretty much known Ted most of our life and we have many good
memories of Ted and of his shenanigans (good or bad). He knew
what was good in life and ran with it. We also have the pleasure of
knowing most of his family and want them to know how sorry we are
and that our thoughts are with you always. When you think of Ted,
you just have to smile.

“ Ted was such a great friend and welcomed me in from day 1 19 years ago when I first moved into my house at 549 washington st. Ted watched me grow from a little boy to a big man. Ted loved animals and especially his dogs Joey and bubba. He always asked me about my dog zoey and my snakes and was astounded by them. My favorite and most calming memory is walking his dog and my dog and just walking and talking. He really was a great guy. Even when I moved we kept in touch almost every week. I send my condolences to the family. Rip Ted you were a great man
