“ *Connie and Udicious Family,
We are very saddened to hear of Terry's passing. The world is now missing a very kind soul. I first met Terry when I was in 4th grade and he was an 8th grader at St Catharine of Siena School. We have crossed paths throughout our lifetimes especially during 30+ years at the phone company. Terry was always friendly, passionate and always had a smile for me and all the McGeehins. He will be missed most of all by his family that he was SO proud of and many, many people who had the privilege to know him. God bless Terry and the entire Udicious family.

“ I was from Wilkes-Barre, and moved to Allentown my freshman year. Terry was the first guy to show me the ropes in high school, and made me feel welcome immediately. We become life long friends from there! He became an amazing teammate, and close friend. There are so many memories of the days at Central Catholic, and continued when our kids were at CCHS together. You will be missed and your memories will live on forever. Connie and kids, Kathy and I are thinking of you during impossibly, sad time. Rest in Peace Terry. Jim and Kathy Morgans

“ I was truly saddened when Dennis told me of Terry's passing. So many wonderful memories of a fantastic high school mate and friend passed through my mind. All those wonderful adventures and encounters which were conceived at Dick's Luncheonette. Terry was a positive influence on all of us and that infectious smile was always so welcoming. May God bless your entire family and know that we were all better off having Terry in our lives.

“ Words cannot express the sorrow we feel for the loss of our beloved brother-in-law, uncle and friend. His family meant everything to him. His priority was keeping family traditions intact participating in vacations, family birthdays, picnics and holiday gatherings. He was an integral part of the family. He will be sorely missed not just on special occasions but every day. We were privileged to have him in our family and he will always hold a special spot in our hearts and memories , and will be forever missed. REST IN PEACE.

“ My thoughts and prayers are with you, Connie. Bob and i had no idea that Terry was that ill. i only saw him a few times but his warmth and his sense of humor are what I remember the most! He shared some stories about my husband Bob that were so funny. He will be in our hearts, as we are in Arizona for the winter. Much love to Connie and your beautiful family.

“ Dear Connie and family, our thoughts and prayers are with you. The world lost a great husband, father, grandfather, brother and friend. Terry was a strong and positive influence in my early years and those memories I will cherish forever. I thank God, that I was blessed to have him in my life, and lucky enough to call him my friend. Please find comfort that there is a new Angel watching over all of us. You'll find him in the sports section of Heaven.

“ Been thinking of Terry ever since Dennis called me on Wednesday. So sorry to hear. Mitch told me about his illness but I didn't realize the gravity of it . So sorry I didn't visit one of my oldest friends. We shared some great (and some terrifying) experiences together. We had quite the "Rat Pack" in high school. May you rest in peace Terry!

“ I realize that Terry was far more than this to so many others, but my memory of him focuses back to when he was the star of our grade school football team. I was proud to have him as my friend.

“ Frank and I met Terry and Connie 37 years ago at Parent’s Weekend. From the first time we met, the one thing we knew for sure was how much Terry loved his family. He loved being a part of their lives. Frank and I had the privilege of loving and sharing the same children, grandchildren and great grandchildren with him and Connie. For me knowing Terry loved Michelle just as he did his own children was his special gift to both Frank and I. We will miss Terry and pray God will be generous with his love and peace towards all his family and friends during this time of loss.
