“ Bobbie was my first girlfriend! She is among my earliest memories-Christian Endeavor Labor Day Weekend. I think I actually remember her pushing my twin brother, Keith and I around in a stroller. She spent her whole life caring for other people, wonderfully, selflessly. I will miss her laugh, her smile. The way she always made you feel like you were the most important person in the world. She may have been short, but she was never small. Bobbie is a wonderful, giant memory in my life. I am grateful to have been touched by her love and grace. God so loved the world that he gave it Bobbie. That sure was good of God. She lives on with God, and in my (and your) memories.

“ *Bobbie was a wonderful and kind person. She came into our lives 20 years ago to babysit our youngest son, Sean, and from that moment on she was a part of our family. Her presence always brought such love and joy, it was impossible to be anything but happy to be with around her. We will dearly miss her, but the memories of who she was will always be an important part of our whole family.*
