So sorry to hear about Toms passing. He was a great man and the firehouse will never find another volunteer like him again. He truly was the definition of voluteerism. May his soul rest in peace. May you guys feel the comfort of knowing he is at rest.

“ My best memory of Tom was the night before my brother's wedding. We had a small fire, someone called the police and the fire company showed up. We did as we were told from previous occurrences, covering the fire with a screen and had a hose within reach. Apparently this was not the case this time, the fire Marshall at the time recognized Tom and was trying to sort this misunderstanding out. By the end of the conversation Tom proclaims someone is jerking your dick down there and someone's gonna end up getting shot. I was flabbergasted by this and said "TOM! What the hell!" No one was injured or "SHOT" that night and ended quietly.

A good man and friend to many.

Remembering the Cuthbertson Home in Collegeville ..

Back in 1951 when I was only 5, I had the good fortune to attend St. Eleanor School and become best friends with Maryellen Rose Cuthbertson who became "Mory" to her friends in the 4th grade.

I remember going to the Cuthbertson home many times and always being treated like a member of the family. Mrs. C always made my favorite meals, and Mr. C, who worked nights, was always full of humor. Their home was full of love and happiness and just looking at Tom's photo tells me he inherited those good genes and lived his life full of love, laughter and happiness.

I wish I had known Tom in his later years and crossed paths with him, but my life was lived mostly away from Pennsylvania. I moved to the Midwest and then the West and for the past 11 years have lived in Arizona. Fortunately, I have stayed close to Mory and kept up with her sisters Bernice and Dee and her brother Tom through her reunions with them.

*I wish all of them and the rest of Tom's family boundless love and a mountain of prayers to see them through their grief. I hope they remember that the most important things in life are the relationships we have with each other. And their relationship with Tom was obviously a wonderful and strong one. You can see it in his eyes and the smile on his face if you look at his happy photograph on this page.
Love and blessings,*

Sincere sympathy to Tommy's family. I knew him when we were teenagers living in the same neighborhood in Evansburg. He was good friends with my brother (Larry Brown). We didn't have cell phones or computers so we hung out on weekends and make some good memories. .Barbara (Brown) West
