“ *My deepest sympathies go out to the Hennessy family. I was lucky enough to play soccer with Mike in high school, and it was a privilege to have him as a teammate and get to know him off the field. I will never forget his laughter, his smile, and the joy he brought to those around him. He is deeply missed.*

“ Kim, my heart aches for you. Words cannot express how shocked and saddened I am to hear of the tragic loss of your son. Although I never met Michael, I am so very impressed by all he had accomplished in the short life he lived. Isn't it wonderful you had him in your lives!

I am praying hard for you and your family and hoping you can find peace and calm in the many happy memories you have of Michael. May the love and support of friends and family sustain you during this most difficult time. God Bless.

*Love and Sympathy,

“ Ithaca college lost one of its great alumni with the passing of Mike. From lax games to parties he was a presence that brightened all of our days. Being from the same area and having mutual friends, I was fortunate enough to hang with Mike in our post-Ithaca days and while I wish we had more time, I can truly say the loving and positive effect he had on his friends was second to none. Rest In Peace brotha, you're missed more than you know.

“ *Fallen Limb*

*A limb has fallen from the family tree.
I keep hearing a voice that says, “Grieve not for me”.
Remember the best times, the laughter, the song.
The good life I lived while I was strong.
Continue my heritage, I’m counting on you.
Keep smiling and surely the sun will shine through.
My mind is at ease, my soul is at rest.
Remembering all, how I truly was blessed.
Continue traditions, no matter how small.
Go on with your life, don’t worry about falls
I miss you all dearly, so keep up your chin.
Until the day comes we’re together again.

“ So go and run free with the angels
Dance around the golden clouds
For the lord has chosen you to be with him
And we should feel nothing but proud
Although he has taken you from us
And our pain a lifetime will last
Your memory will never escape us
But make us glad for the time we did have
Your face will always be hidden
Deep inside our hearts
Each precious moment you gave us
Shall never, ever depart
So go and run free with the angels
As they sing so tenderly
And please be sure to tell them
To take good care of you for me
