“ Well, Pop . I miss you like there is no tomorrow . You were the best grandfather anyone could ever ask for . You were like a Father to Me & brian . I Love you & i know i never said it enough or showed it enough to you . But that was because i was shy & didn't like to show anything . The day you died was not fair at all. If i was there i most likely coulda helped you . To this very day I think its my fault you died .I am filled with grief & regret because of my last words to you. I know you still come & see me while i am sleeping . You are watching over us & you are my guardian angel. I am so sorry for being rude to you on your last day on this cruel world, I feel so bad, and horrible for what i said to you. I wish i would of came that day because whenever you & i went to the store together you were perfectly fine & we had a blast. I never told you i loved you enough. & I regret that now. I am sorry for everything i ever did that was mean, and or bad to you. I showed that i cared. You & i had a special bond together .I was your little girl at that helped you with our house projects & i do think that you thought i didn't care about you enough, when actually i cared a lot . I was just afraid to show it . I was so happy when you and nanny came to my grandparents day in 1st,2nd,3rd grade (: It was the best times. Those times are overrr . But i will see you soon enough, later in life <3 Come visit mee again<3 I love you . I will always keep you in my heart no matter what happens. You were like my father. Number one. Don't ever forget that, Please. You were loved by everyone, You were funny, and just plain amazing. You gave me whatever i wanted & didn't care what i did, as long as it wasn't bad. You were my rolemodel, i wanted to be just like you, but in girl form obviously. I jsut cannot Beieve you are gone for 2years now. When May 24th comes, I will cry. All day, All night. I miss you<3

“ Dear Lois,
My condolences on the sudden loss of your husband. I apologize for doing so in this manner, but I am out of town on business until Friday, and only became aware of your loss via email. Please be assured that you and your entire family are in my prayers. I somewhat know the pain of losing a close loved one very suddenly, having lost a brother a few years ago, but realize this cannot compare to your loss of a spouse.

Again, I am so sorry for your loss, and you and your family remain in my thoughts and prayers.

Sincerely,

Joe Ganzelli & Family (AFS)

“ Lois & Kids,
There's nothing I can say that you don't already know...I'm very sad that Tom is gone. We'll never know why it was meant to be. "A journey of a thousand miles starts with one step." You all have a long road ahead, but keep your chin up, take the first step, and keep walking. Love, Anne

“ Lois, I am very sorry for your loss. My hope for you is many wonderful memories of the 40 years you shared. Obviously this is a time of sadness and my heart goes out to you. The more we have the more we have to lose but I would rather have the full life you two clearly did. My best wishes for you and your family.
