“ Dear Petaccio Family: Although you have never met me, I wanted to send my sincere condolences to all of you! I met Tommy a million years ago and became fast friends! It has been several years since I last saw Tommy and I am so sorry for our loss. The video just underscored what a sweet, loving man he was! Please know that I am keeping all of you in my thoughts and prayers! Sincerely,
Kathleen McCarrick

“ Tommy was the first person to greet us when we started attending the Wednesday dances at VF Casino - gentle, witty, easy smile, smooth dancer. Wish I had known him earlier in my life - would have enjoyed hanging with him. Glad we got to celebrate his presence at the Taphouse last month. Our sincere condolences to the family - peace to you all as Tommy is at peace.

“ *Tommy was my beloved cousin. I have many wonderful memories of the times we spent together, both here in California and in Pennsylvania. He was extremely generous with me, from providing a car for me to drive when I visited PA to making sure I got my beloved zeps and hoagies. I will miss knowing that, should I ever have an opportunity to visit Norristown again, Tommy won't be there to pick me up at the airport or provide a place to stay. RIP, Cuz*

Love, Patty.
