“ *RIP little Brother. Thank you for kindness love and humor. You always had me laughing with tears running down my face with your stories always making me smile when the day wasn't so great. The last we talked was on August 12 2021 I was checking on you to see how you were. You were so happy and proud of gaining weight you sent me this picture. I'm going to share it with your family now. You are already dearly missed and will always be in my heart.*

“ Tommy, i don't even know where to begin-I still can not believe your gone. I know we had been through so much together. We had our good times -all of our fur babies, trips to the outer banks, San Diego, hockey games, football games-even when Washington beat the Eagles. And then of course the bad. 20 years seems like forever and I will never forget you! I love you, I miss you and hope you give mayham, chaos, Dakota, and even your brother Jimmy hugs and tons of kisses from me. Till we meet again-rest in peace. Love u forever!
