“ My memories of Uncle Tom include his infectious laughter and smile. Recalling family gatherings of decades ago, that is what I will always see in my mind.

*I pray that God will guide his family and friends through this rocky terrain called "grief." As the shrub withers and dies in the winter and is reborn in the spring, we cannot have life without some form of death. They are simply the flip-side of the same card.*

*Certainly, Aunt Dorothy welcomed him with open arms and abundant joy...*

*Love to everyone,*

“ I am so sorry to hear of Pop-Pops passing, he truly was one of the most genuine people that I have ever met in my life! One of my all time favorites was when Carlie was little, playing out back in the dirt, Mom-Mom picking her up and giving her a bath in the kitchen sink, calling it a splisha-splasha! I never saw anything like that before!! That became what we called our bath time at our house after that! What wonderful people they were and now they are together once again! My prayers and thoughts go to all of you wonderful Weiss' family members!
