“*Jen, my deepest condolences to you and your family. It's been 30 years since we've seen each other. I reached out after the super bowl, firstly thinking of Tim and how I learned of the bad news. Still, I'm confident he celebrated in typical Shannon style always so proud to have been a Philadelphian. I reflected all day about the found memories we had in college, and on the track team...he was and always be an inspiration. He was talented, humble, and had moral fortitude of a great citizen and leader. Roy Douglas.*

“*I'm so sorry to hear that Tim passed and at such a young age. I worked with Tim at PECO for a few years and he was always so cheerful. He often talked about his wife Jen and boys and how proud he was of them all. I truly enjoyed working with Tim. My condolences to the entire Shannon family.*

“ Got to know Tim while on storm duty for the Ice Crusher a couple of years ago. He was very considerate in trying to explain operations topics to a non-engineer like me. I'll always remember how proud he was of his sons and how he talked about his wife Jen. He had so much respect for her and it left an impression. He will be missed! Prayers for the Shannon family.

“ I had the privilege of working with Tim when he started his career as an Engineer at Limerick Generating Station. I remember him as a very bright engineer applying himself to issues and new learning opportunities. But most importantly I will always remember him as a good man, dependable, caring, and respectful of others. No matter the situation, Tim maintained a positive perspective and a sense of humor that lifted everyone. My condolences to the Shannon family.

“ I was heartbroken hearing about Tim. I had the honor of being The Shannon's neighbor for 18 years on Springhaven Circle. My fondest memory of Tim was him jogging early in the morning by my house, and when the boys were babies, he would be pushing one of them in a jogging stroller. May God give your family the strength to get through this, it will not be easy, but he will be right beside you. I am a testament to that. God Bless you.

“ I had the privilege of working with Tim for many years while at PECO. He was warm, caring and always smiling. Tim always made time to chat. Even after I left PECO and would run in to him at contractor meetings after I left, he always gave me a hug, a big smile and took the time to chat for awhile. Heaven has gained a beautiful soul! Rest in peace my friend!

“ I got to know Tim last November when we spent a week together at an Exelon Leaders Developing Leaders program. From our conversations over the course of the program I could tell how dedicated he was to not only his job, but even more so to his wonderful family. He was so proud of his boys and loved his family more than words could express. He was an honest, sincere, thoughtful and truly great man and will be sincerely missed. My thoughts and prayers will be with his family during this difficult time.
