*This will forever leave a hole in my heart. Tyler showed me what true love meant and the possibilities it could create in someone's life, which opened my eyes to a hole new world of happiness and endless courage. He would always be my destination in a world I would helplessly forever get lost in. Tyler, I've told you a million and one times before, I will always be there, I will never turn my back on you, and for this one more final and somewhat last time, you will always be my heart, you will always have my heart. Can't wait to see you again, we have so much to talk about. I'll bring the Dunkin Donuts.*

“ *I met Tyler in middle school, we were close locker neighbors and the rest was history. From that moment on it didn't matter what we did or where we went he had this amazing ability to make any and everything fun. It was always an adventure hanging out with Tyler. His laugh and his ability to have fun was so contagious. Thank goodness Lisa took pictures of everything, my memories of you Tyler will live on forever through them and in my heart. Thanks for getting me out my house and always saving me from boredom. Most importantly for choosing me as a friend. I love and miss you and will pray for your parents and brothers you left behind.*

“ Tyler was the best! I've known him since we were little and am so very blessed to have so many amazing memories of him! I'll never forget his smile and all the fun adventures we went on. He could always make me laugh and made everyone around him feel good. He was such a free spirit who loved to dance and go exploring. It's so hard to grasp that this happened. I am completely heartbroken. I love you Tyler so much!! I will never forget you or the impact you've made on my life. My thoughts and prayers go out to all the amazing people in his family.

“ Tyler was a beautiful soul with a heart gold. I was so lucky to have him in my life, and as my roommate. He was a wonderful friend to me and he was great with my daughters. He has helped with so many things, and always was able to make me feel better about different situations in my life. His smile and laugh were very infectious. He always made everything fun. I will never forget how much fun we had on our shore trips to Atlantic City last summer, which we had planned to do again this summer. I heart is so broken and I miss him so much! You left us way too soon babe. I love you always Tyler and I will never forget you!

“ I’ll never forget his smile. I would tease him that he had a “work smile” for all his clients and his real smile. His smile was infectious and usually followed by a good laugh (usually at my expense). He was a special soul gone from this world too soon. Love always Tyler.
