“ To the family of Verna,

Sending all of you, heartfelt prayers. Our names are Chip and Sandy Bublik from Costa Rica. We are online friends with one of Verna's precious sisters, Mabel. We 'know' of Verna because of all the wonderful things Mabel has told us about her great big family!- including her and Verna's love for the crossword puzzles that they used to do together (we even sent some from Costa Rica). Mabel loves having people come over for weekly family and friends gatherings. Mabel would always share about the delicious food people would bring. Mabel loved to make our mouths water when she mentioned what Verna was going to bring! GOD Bless each one of you who have been blessed to be part of your special close family. Sincerely with love, Chip and Sandy.

“ Verna, your struggles are over and my heart is so heavy. I know you are with God and every one you love who has passed over. You and your sisters are the sisters I never had and I thank God you allow me to be one of you. I have wonderful memories of our trips to Goods and Yoders and Costcos and BJ's. Always have to chuckle remembering how we could not go by a Walmart without stopping. For these and all my memories, I thank you, love you and miss you so much!

Sandie (Your favorite sister-in-law!!!!)

“ Wow. Thats all i keep saying. I think this is the most i ever cried before, im so glad i got to come see you one last time even if i couldnt be your "handsome man" to help you up out of there. For years i sat next to you at Aunt Mabels every week and got your coffee with an ice cube or vanilla creamer. I know how much i use to hate having to get up (for everyone) but id do it all over again if i could. Thanks for the homeade pretzel phone call lesson when i messed up, the laughs when Uncle Walt would fall asleep at the table and giving gaga and i a ride home on Sundays. Im not sure i can sit at my seat on Sunday with knowing you wont be there to sit next to me ever again.
I love and miss you a lot. - Jordan

“ Verna,
My life was so blessed having you for my sister. You were always there whenever I needed something from Redner's or Walmart. We will miss you so much, especially on Sundays when we would have our family dinners together, or when I needed help with a crossword puzzle.
You were always there for me, and I will miss you so much, especially, that hearty laugh of yours'. Thanks for being a great sister and also a great friend.
Vicki, Scott, Sandy and families, thanks you for taking such good care of her and
God Bless you and your families in this time of sorrow for us, but a time for rejoicing, for Verna.
Love you dearly,
Mabel

“ Verna my sister, words cannot express the loss I feel in my heart. You were always there for me when I needed something from the store or whatever I needed. I will cherish every moment we had growing up until our golden years. I know your pain is now gone and you are dancing with the angels. I will miss you until we meet again sleep easy.

“ Aunt Verna it has only been a day and we miss you so much. I can say that we admired your strength and support you gave us. God needed another angel and he called your name. I hope that your new home is bright and and filled with joy. May you be guided on Eagles wings to Paradise. You earned your wings while here on earth and spread them now and fly to Heaven.
