“ Oh my God! I'm so sad to hear this. I was one of Vince's therapists at PowerBack Phoenixville. He just left our facility on Monday. I loved spending time with Vince. I happened to be in his room with his roommate when Vince discharged that day. He touched my hand on his way out the door and gave me one of his beautiful smiles. I'm so sorry to hear of his passing. I hope he got to be with Dot before returning to the hospital. Thinking of his family at this time. Sincerely, Marybeth McNally; Physical Therapist Assistant.

“ Vince was my best friend’s Father (Brenda). He was a great Father and Friend and loved to joke around with all of us. I miss the days my Husband and I hung out with Brenda and Bob and Vince and Dot to enjoy an Eagles game or just hang out with some beers. We always had a good time!! He will be missed dearly by Family and friends. Nancy Munro

*Dotty, I am so sorry to hear of Vince's passing. We were classmates together at St. Mary's School and then at PAHS. I can still see his smile and hear his laugh. Know that I am keeping you and your family in prayer during your time of sadness.*
