“ To my very Loving Mom. She was the stability in my life. The guidance that every child needs. I remember her saying "make new friends, but keep the old, one is silver and the other's gold" and "treat others the way you would want them to treat you" and "If you don't have anything nice to say, don't say anything at all". These are things we should all live by. Values i will always carry with me. Thank You for being a Wonderful Mom. I Love You and Will Miss You Dearly.
