Uncle Virgil was always such a special guy to me! I didn't get to spend as much time with him, or y'all as a family, as I would've liked, but that just made our visits that much more special. It meant a lot when he came down to Virginia to visit me when Steph, Trevor and Ryan were little. Living away from home, the visits were few and far between and were treasured!

He will be so greatly missed. I love you all and are praying for comfort

“ I worked with Virgil his entire stay at Fiserv. He just wasn't a co-worker, he was my friend and mentor.

I had the pleasure of sharing one of Virgil's many vacations to Florida with my wife. I will always have great memories of Virgil.
