*That is so sweet. Although I think it was that orange stray cat that mom and Nan adopted for a brief time before it ran away.*

“ *I'm missing you every day mom. I hope that as you were leaving this world, you felt me holding your hand tight and stroking your forehead as I was telling you how much I love you, that it's time for you to rest now and saying goodbye. Even though it was difficult, I am so glad that I was able to be there with you in your final moments. I take comfort in knowing that you are now at peace in Heaven. I will always have memories that I will cherish forever. I will see you again someday. I love you!❤️*
