“ Please allow me to express my deepest sympathy. Having lost John Wolford last August, I know how difficult this time can be for all concerned. John had always expressed to me how badly he felt in regards to his relationship with Vizma and that she deserved much better than him. Once again, I'm terribly sorry for your loss.

“ I knew Vizma from John Middleton. Worked with her for several years. She was one of the kindest, most pleasant persons I ever met. May she find peace!

“ I wish to extend my deepest sympathy. I had the pleasure of meeting Vizma several years ago at John Middleton. My mother had the pleasure of knowing her for many years prior, meeting her at the Spring Ford Knit. I will never forget her wonderful personality and big heart. She will be greatly missed.
