“ Dear Susan,
I was so sorry to read about the death of your father. Due to working, I am sorry that I cannot be there today to hug you and tell you that your sorrow will pass in time. My mother died and I know that it will pass in time. Consider this email my hug to you and that you and your family are in my prayers.

“ Carol and Brian, Joe and I have long wondered how you are, but we never expected to see this news about your father. Unfortunately, we lost touch with you dear people, and we are so sorry about that. But, more so, we are sorry that this Christmas season, the season of life is now a season of some sorrow and sadness. We pray that your hearts will be lifted, and that you will know that old, long ago friends are remembering you, and missing you, too. God Bless,
Linda and Joe Wood
