“ Sorry that I wasn't able to make the service today but I do send my love and prayers to all of my family, especially Wakeem and Wandell. Your mom, my aunt, was a wonderful person with a huge heart. She made sure to stay in touch even with my being miles away. Her smile and laughter we're contagious and love she had for her family was undeniable. I love my aunt with all my heart and will truly miss her. Cherylette Hewlett-Gates

“ Man do I have memories. Where do I begin or shall I say, what can I post.... lol. A few years ago we were at the Postal Service beef and beer. I have been many times before, but it was Netta's first time. I was actually shocked that she came out. Anyway, the Union always did a raffle and gave out prizes. Lets just say out of all the times I have been at the beef and beer, I nevered won a raffle or a prize. Netta did though, her first time there, a gift card to P J Whelihan's Pub. Netta didn't keep the gift card for herself. She gave the gift card to me. 😊😊 I never heard of this Pub before, but since that gift card I go all the time now.

Thanks Netta for not only being one of the best co-worker I have known, but for also being a good friend.

Missing You,
Tammy
