“ Erik your mother was a spit fire! She spoke her mind and that was that! She was fun to have conversations with and was very opinionated. I loved watching her take your dog for a walk, and she stoped to talk to everyone she passed! I know she will be missed! Be strong knowing she is in a better place!

“ Eric, I am sorry to read of your Mother's passing. I only knew her from talking with her on the phone when she needed her heater and air conditioning serviced. She was always very nice to talk with.
