“ To the Dalton family I express my deepest feelings of sympathy to you all. I have known your Dad since Bill and Angela started dating, he always impressed me as a gentle man with much love for his family. Of course this love continued with his grandchildren who he loved to talk about at family gatherings we had in Maine. I wish all of you strength at this time and in the tough times ahead. Grief is so much easier if you can picture him as an angel continuing to watch over you. I only know this because I have lost both parents and they give me strength and love daily.

“ I am saddened by the loss of such a wonderful man. Mr. Dalton adopted me as his extra Daughter-In-Law as my twin sister is his REAL one! He treated me as family and LOVED my daughter Sydney as if she were his granddaughter! We are both missing Poppy greatly right now, but know that he is feeling stronger than ever up in heaven watching over us. My condolences to Mrs. Dalton, Bill, Lori, Keri, and Jeremy and all the rest of the Dalton family members during this difficult time. Love you Poppy!~Pam and Syd
