“ I only knew Fletcher in a professional setting as Pleasant Valley Electric does work at my house. I am sorry to hear of his passing. Each time I called him up to schedule work at my house, he was always so friendly. For this reason, he was one person I didn't mind calling. I also enjoyed our brief visits when he stopped by to do estimates. I will miss interacting with him. May you be comforted through your loss.

“ I am sorry to hear about "Fletch." I grew up in the same neighborhood as the Grovers. We were often together ice skating, and doing all the things teenagers do. RIP Fletch. Pam
