“ *I just wanted to extend condolences to Kurt and Eric for the loss of  
their dad. Bill, Kurt, and Eric laid the block work for our house, and  
also did work for my late father, who was a contractor. It was a  
pleasure knowing your dad, as he said, "The Legend". I never saw a  
walking book of jokes like Bill. All my memories of him are hilarious  
and funny, and I always liked being around all you guys. You had a  
good dad, and a funny one too. I am very sorry to hear of your loss.
