“ Aunt Honey Mae and Family, So very sorry to hear about Uncle Bill. As I write this,I can picture Uncle Bill playing cards, laughing that contagious laugh of his and having that wonderful happy smile on his face. That is one of my memories of him. When someone we love becomes a memory, then every memory of that person becomes a treasure to us. May all the beautiful memories help to ease your grief and bring you comfort in your time of sadness. Death leaves a heartache no one can heal, but love leaves memories no one can steal. Love and thinking about all of you, Debbie, Frankie, Jerry Jr, Jerry Sr. and families

“ To the Family, We are always saddened by the passing of our dear loved one. The time we have with them is never enough. Please keep in your hearts and minds the wonderful joy and happiness they brought to your lives. Even though it is hard for us to imagine the void in our lives be assured of this period as resting time for them. Hope is given to us through the scriptures that this enemy called "Death" will soon be done away with. (1 Cor. 15:26) Not only will death be no more, neither will sickness, pain and sorrow be anymore. (Rev. 21:3-4) God has said "He is making all things new". My prayers are with you all.
