“ *My prayers are with the family. It is never enough time to have someone we love and cherish in our lives. Once they have left us the time passed seems so short of a period. Please take some comfront from the scriptures to realize that it is not God's purpose for us to live a short while and die. His purpose was for us to live forever on a Paradise earth. “ *Deb, Willie & Princess, We want you to know that all of you are in our thoughts and prayers. Bill was such a wonderful man and we are so glad that our paths crossed when they did! It must have been fate that brought us together. They say that everything has a reason but sometimes we just don't know why. I guess we will all know someday. There isn't a race that goes by that Bill's name doesn't come up (even though he liked the wrong number!!). Remember the good times and keep the faith. We are here if you need us.

“ Sometimes God puts you in a place, then surprises you with the mission you are to be a part of. In March of 2009, Bill, Deb, Willie, and "Princess" became a part of this huge play that God had worked out. 4 "redneck" couples from central Illinois were turned loose in the Dominican Republic for a week. Bill and his family were "hoodwinked" to join our "family". A quick and eternal friendship was formed that will leave all of us with memories. It appeared that we were helping Bill and his family to get around easier and help make their vacation fun. It turned out that we were the ones to receive the blessings. Blessings from Bill, who never let his disease cloud his spirit around us. Humility to allow us to help his immediate needs. And just pure joy to share with us--standing in the ocean was a wish we helped with. Friends to have crazy laughs with, while not feeling like a dying man. Love. Love for his family--especially his son. What man could have experienced more and left us all with so much! Bill--your touch on our lives is with us forever to pass on and on.
