“ I just discovered a long lost cousin Bill who we I lived beside in same house and we are sorry for his passing at relatively young.age We have not seen him in years. But my mom and dad were like parents to him in the years gone by. My dad was his dad's brother. I loved Aunt Jeannett also. Spent many times at the house there on Ridge Road. Styer Dairy. .I am now 80 And still live in Va. where he used to visit. He is at rest in God's hands now.

“ We rented half of Bills farmhouse for 13 years. Jon & Bill became good friends and Jon fed Bill twice a day for close to a year when he was ill. Bill and Peggy had many political debates over the years. We loved Bill and we will miss him.

“ my wife is Judy Lynn daughter of the late Earl & Ruth Francis, Ridge Road, next to the Township Bldg. We've know Bill and his mom for many years. The article said Bill "retired", I think God said, Bill slow down a little. After awhile, God he gave Bill his wish of slipping away at home, to his heavenly home. I also feel God said I have a "few" fruits, vegetables, and flowers I need taking care of. I hear you're qualified! Every time we would stop by he would offer us something. We said no, your sign has a price on it, doesn't say "free". Besides we get free from Judy's mom & dad. I can just imagine all of them talking over all the good times. And they are waiting for our help in God's garden.
