“ I am just seeing this now and it breaks my heart. I was just wondering where he’s been because he hasn’t stopped by our shop to say hi for a while like he would normally do. He always lit up my day when he would come by and talk with us. Always cracking jokes and always in a good mood. I admired his kindness and bright smile and I’m extremely saddened to find out that I won’t be seeing him again. You were a good friend Wornell and I wish we had gotten more chances to talk and I was really hoping to come to one of your bbqs. Phoenixville won’t be the same with out you. Rest In Peace, you were a good soul.

Hi Margaret, I was thinking about my past and your name came into my thoughts. I was an employee of RMH and you were my manager for years . At end of my tenure there, I was going through personal hardships and turned my life around. Although I thought you were rude and ignorant in your comments but in the end led me to value myself more and the people around me. You and Florence were a great set of bosses otherwise. I'm sorry for your loss. I miss my mom after 28 years . Since then, I met a wonderful guy , been married for years and working a fantastic job in the Sunshine State. May your memories of your brother stay close to your ❤️ 🙏
