“ My prayers are with the family. It is never enough time to have someone we love and cherish in our lives. Once they have left us the time passed seems so short of a period. Please take some comfort from the scriptures to realize that it is not God's purpose for us to live a short while and die. His purpose was for us to live forever on a Paradise earth. Friend! 1 Cor. 3:9 enemy death going away Rev 21:4 Death no more Matt 6:9,10 Kingdom on earth as in heaven to bring changes for all mankind, government by God and ruled by his Son, Jesus Christ

“ I would just like to express my deepest sympathy for your loss at this time. It's funny how the people that make us the happiest in life are the same ones that fill us with sorrow at the time of their passing. Her memory will never fade in the hearts and minds of the people that were closest to her... it was once said "The connection is never broken. It's quite impossible to break the most powerful connection in the universe. As long as you exist, the connection stays." And I truly believe that.
