“ Zack was a student of mine in fourth grade. His sister, Sara, was also a student of mine . Sometimes it was hard to believe because Sara was such a sweet young girl and Zack was all boy! Their grandmother Rose was part of our grandparents' program and was a wonderful asset to our classroom on Fabulous Fridays. When my first grandchild was born I will never forget the love and support I felt as Sara and Rose showed up at my door to reassure me that all would be well. They were a wonderful family. My thoughts and prayers are with them. They now have a mighty advocate in heaven. Rest In Peace, Zack!❤️

“ I can remember when the kids were younger and we found that Jill and Zach had a crush on each other. His mom, Jennifer and I worked together and became friends. Thru high school the kids grew apart and no longer wanted to date each other. But mom and I remained friends. Although I haven't seen you all for a long time, my heart goes out to you Jen and if you need anything please contact me and I will be there. I am so sorry to hear about Zach. Love you, Dee
