“ To'Ant',Bob and Kathy, I'm sorry for your loss. It's been a long time since I have seen any of you and it usually happens among friends and family that something like this has to happen before we make contact with one another. I DO remember the good times that we used to have at the house and store.Nan always having to say hello and pop making the best coffee and steaks on the grill. I never quite understood a'hotflash' until mom started fanning herself and turning red. Those days were the best and were never repeated.Just seeing your mom's name in the paper made all of those wonderful days come back to make me smile again... she always had the knack to make people do that! I just wanted you all to know that I wanted to send my condolences. You will be in my thoughts and prayers so that you may find the strength to carry on.Take care. COOKIE
